**APPLY NOW!**

The Masterschool leads you through four intensive workshops to shape your documentary ideas for linear TV and web across all genres and formats. Give your stories impact! Get them seen by new audiences through innovative digital and VR technologies. Explore new business models in our increasingly competitive industry. We are experts in connecting you with the world's leading broadcast executives and commissioning editors who will guide you on the path to your international pitch and success. For more information go to [www.documentary-campus.com](http://www.documentary-campus.com)
